Date: Monday, March 23, 2015 10:03:32 AM

I think we should hold off sending any kind of letter to them about their potential liability or possible lack of liability. We need to research their assertions.

Subject: CES Environmental Services, Inc.- Houston (A6JP) -- Response to GNL from Jeff Civins for Texas Water Management, LLC)

Amy,

Based on the information in the attached response from Jeff Civins for Texas Water Management, LLC (TMW), he requests a written acknowledgement from the EPA that TWM is not a PRP for the CES Site.

Comments about the requested reply?

I've already filed the below email from haynesboone as SDMS #1175846 and the attached response as SDMS # 1175813.

Subject: General Notice Letter for CES Environmental Services, Inc. Superfund Site

Mr. Werner,

Please find attached the reply of Texas Water Management, Inc., to the agency's February 27, 2015 letter regarding the referenced matter, which they received on March 3, 2015. We are sending the original reply by certified mail return receipt requested. We look forward to your response and are happy to address any questions you might have.
